AND THE KARNATAKA UNAIDED PRIVATE ENGINEERING COLLEGES'
ASSOCIATION (KUPECA) IN THE MATTER OF REGULATING ADMISSIONS
AND FEE STRUCTURE TO THE UNDER GRADUATE COURSES IN PRIVATE
PROFESSIONAL COLLEGES OF ENGINEERING/ARCHITECTURE FOR THE
ACADEMIC YEAR 2025-26.**

PRELIMINARY:

In the light of the pronouncements of the Hon'ble Supreme Court of India, in case of TMA Pai Foundation [(2002) 8 SCC 481] and, as explained in P.A. Inamdar [(2005) 6 SCC 537]; as to the permissible Regulations and restrictions imposable by the State Government: on the rights of the Managements of Private Un-aided Professional Colleges in the context of their 'Rights of Management' that are guaranteed under the Constitution, and; in furtherance of the Constitutional Amendment [by 93rd Amendment Act] to Article 15 (5) of the Constitution enabling to provide for 'Special Provisions' for reservations, in the matter of admissions to 'Professional Courses' in private institutions; seeking to so provide for; under its Policy of Reservation: State of Karnataka having enacted Act No. 8 of 2006 regulating 'Admission Process' and, 'Determination of fee structure' in private professional colleges and:

Whereas, in the process of enforcing / implementing them having found it necessary to further the interests of some sections of students of Karnataka entitled to the benefits of its Reservation Policy; having further agreed during the deliberations that took place between the Government and the Private Professional Institutions Associations and their representatives for 'working out' a suitable 'consensual arrangement' for admission to professional courses for the academic year 2025-26.

And Whereas, with an intention to provide adequate and better access to Engineering Education to the students of the State, Government had, in the past, made appeals periodically, to the 'Karnataka Unaided Private Engineering Colleges Association' (KUPECA) seeking its co-

operation for a suitable consensual agreement as enabled / permissible under the decision of the Hon'ble Supreme Court in P.A. Inamdar's case and by the provisions of Act No.13 of 2006, 23 of 2007, 23 of 2012, 50 of 2013, 29 of 2014 and 39 of 2015.

And Whereas, the State Government and the managements of private professional colleges, since then, having worked out periodically under different consensual arrangements providing for seat sharing, process of admissions and determination of fee structure; etc., and said arrangements/consensual agreements, having been given effect to, the Hon'ble Supreme Court having directed and permitted the parties to the consensual arrangement to work out the same for the started respective academic years and;

And Whereas, both the parties having found it satisfactory, fair and reasonable and necessary to continue such arrangements for the ensuing academic year as well; having called for deliberations in this regard and having had extensive consultations and keeping in view the need for effectively implementing the Reservation Policy of the State as well as, facilitating better access to professional courses to the students of State and simultaneously maintain high standards and improving quality of education being imparted to the students community, have decided to provide for this 'consensual agreement'; on similar terms as before; with required modifications;

And Whereas, members of KUPECA having met and deliberated on the request and resolving to adopt a policy in tune with reservation policy of the State and to participate and contribute to the welfare measures of the State; and though during the deliberations, there were several opinions as to inappropriateness of method of admissions resulting in interference with their rights of administration and the inadequacy of funding, due to issues like, implementation of seventh pay commission pay scales, implementation of new policy of imparting of free education by creating supernumerary additional intake of 5% in Engineering Colleges, etc., and the high costs for imparting quality education, keeping in view the larger interest of the students and at the same time,

assurances by the Government of ensuring 'viability of the institutions' and their growth by providing appropriate minimum of funding and to take all steps that are necessary to give legal sanction for the arrangements; and keeping in view the time constraint and the need to achieve certainty, it was decided and it is agreed now between the State Government and Karnataka Unaided Private Engineering Colleges' Association (KUPECA), that following Consensual Agreement, set out in the detailed terms/conditions of agreement as hereunder, being within the framework of law, as contemplated under P.A. Inamdar's decision, be implemented for the academic year 2025-26 in the Undergraduate courses, imparted by private institutions, as set out hereunder:

A. GENERAL:

- 1) During the deliberations of fee between the Government and KUPECA, it is agreed to an ***enhancement of 7.5% in tuition fee for the Government Quota seats as well as COMED-K seats in the Academic Year 2025-26. The Government Quota seat fee that is collected by the Karnataka Examinations Authority will be the fee to be paid by the students for the entire first year. Second year onwards till the end of the student's course, the same fee will have to be collected in all the colleges. There shall be no change in the fees for the entire duration of the students study period. For purposes of transparency and complete disclosure the fee structure of all types of seats in the respective colleges shall be notified on the website of the KEA and the respective colleges' websites a week before the commencement of first round of option entry by the KEA. KUPECA shall ensure that the necessary information is provided to KEA by all their member colleges.***

- 2) In the light of the discussions held between the Government and KUPECA it was desired to work out 'consensual arrangement' in terms of implementation of the provisions of

The Karnataka Professional Educational Institution (Regulation of Admission and Determination of Fee) Act No. 8 of 2006 (as amended in Act 39 of 2015), to adhere to the fee fixed during the year 2025-26. Parties hereby agree, among others, providing for, hereunder spelt out, suitable and appropriate fee structure, seat sharing and admission process, by issuance of a Gazette notification incorporating 'the terms' hereunder, before the commencement of admission process, giving this arrangement by consensus, a statutory support.

- 3) That, it is agreed between the parties that, to an extent of an additional quota of 5% of total intake available in each of the Engineering colleges, as per the directions of the regulatory bodies like UGC / AICTE, shall be filled by the Government as free category students keeping in view such guidelines issued in this behalf and Government Order to be issued in this behalf.
- 4) That it is agreed between the Parties that the regulatory authorities, including VTU, KEA, etc., be associated in working out this 'consensual arrangement' and, State Government would issue appropriate directions as a 'policy of the Government' and, ensure that affiliating Universities take note of the terms and working of agreement for the purpose of approval of admissions etc.

B. SEAT SHARING AND ADMISSIONS:

- 1) Members of KUPECA would make it available/ hand-over 45% of seats, out of the total intake available, in each of their Member-Engineering Colleges to the Karnataka Examinations Authority (KEA), for counselling and allocation of seats, based on merit as per ranking to be determined/assigned by the Common Entrance Test, being conducted by the Governmental agency - KEA and as per Rules framed for the purpose.

- 2) It is stipulated that, the counselling by KEA shall be conducted as per the calendar of events, prescribed by the regulating authorities - AICTE/UGC/ Council of Architecture/Affiliating Universities respectively. ***All unfilled Government Quota seats will revert back to the Association's respective member institutions' 10 days before the last date prescribed by AICTE for merit based counselling to its general merit category candidates to be conducted on the basis of merit in an objective and transparent manner.***
- 3) Thus out of the total intake, deducting 45% of seats being handed over; effectively 55% of seats under 'sanctioned intake' in each college remain with the Managements / KUPECA and same shall be filled as under:
- a) 30% of total intake seats in each of the KUPECA member Engineering Colleges / Institutions shall be filled by General Merit candidates, through COMED-K conducted entrance test followed by centralized ***merit based*** counselling on all India level basis. In case any of the COMED-K Member Engineering Institutions for Engineering Colleges desire to have their 30% or less intake of seats to be filled through KEA, they can surrender the seats to Government/KEA, 15 days before the commencement of first round of counselling. The fees for such management-surrendered seats to the KEA shall be the Government fees.
 - b) The remaining 25% (15%+10%) of total intake seats in each of the COMED-K member Engineering Colleges / Institutions could be filled up from among NRIs / NRI sponsored (15%) and / or on institutional or other local preferences (10%) ***based on merit and by notifying the method of filling up of the seats and the fees determined in the website of the respective institution well before the commencement of the first round of option entry by KEA,*** in a

transparent manner and if no candidate is available for this category allocated; these can be filled by any other academically eligible candidate as per norms from amongst applicant/s to the respective individual institutions, treating them on par with this category admissions as to the tuition fee liability; or the respective institutions can surrender the seats to Government/KEA, 15 days before the commencement of first round of counselling. The fees for such management-surrendered seats to the KEA shall be the Government fees.

- 4) As indicated above, to an extent of an additional quota of 5% of total intake (supernumerary) available in each of the engineering colleges, as per UGC/ AICTE policy directions shall be filled by the Governmental agencies, as free category students, keeping in view UGC/AICTE guidelines issued in this behalf.

C. SEAT SHARING AND ADMISSIONS IN RESPECT OF MINORITY EDUCATIONAL INSTITUTIONS:

Seat sharing ratio, in respect of Minority Educational Institutions (MEI) who are members of KUPECA/COMED-K shall be on par with that of members of KRLMPCA that may be agreed upon. It would be at the option of the MEI members of KUPECA/COMED-K; to seek and opt for the appropriate ratio worked out with applicable fee structure either under this agreement or ratio worked out with applicable fee structure for KRLMPCA, if any; as they may choose to indicate and opt prior to the commencement of counselling process. That admission process of MEIs would be in accordance with 'preferences' available to them [minorities] as detailed in formulated policy for the MEI members of COMED-K, as was previously adopted.

D. FEE STRUCTURE

Keeping in view the deliberations that took place between the Government and the Associations of private professional

managements, have expressed desire to work out a 'consensual agreement' for the academic year 2025-26, in terms of power conferred under Clause 4A of the Act No. 39 of 2015; in place of implementation of the other provisions of the Act No. 8 of 2006 including there under constituted. During the deliberations of fee between the Government and KUPECA, it is agreed to ***an enhancement of 7.5% in tuition fee for the Government Quota seats as well as COMED-K quota seats in the Academic Year 2025-26.***

- a) Accordingly, parties hereby agree to provide for a suitable and appropriate fee structure as hereunder, by issuance of a Gazette Notification under the provisions of the Karnataka Educational Institutions (Prohibition of Capitation Fees) Act, 1984 and the proposed requisite legislation/enactment with special provisions to enter into consensual agreement.
- b) It is decided after elaborate discussions and consideration of materials placed before the authorities of the Government and it is agreed that, keeping in view the interest of the student community, to retain the tuition fee and seat sharing as indicated in this agreement.
- c) KUPECA considering the request by the State Government, has now resolved to extend the same gestures by way of 'scholarship to socially and economically weaker sections and others; and participate in social welfare measures/schemes of the Government. Therefore, it is proposed and provided that for all seats made over to the Government, by the KUPECA colleges will extend the 'freeships and

scholarships by way of fee concessions' from the fees actually being charged by each of the KUPECA Institutions for the current year; by way of scholarships, under this consensual arrangement; out of additional fees receivable from the category of students falling under NRIs and others.

- d) That, KEA and COMED-K allotted candidates would pay all the fees at the time of allotment of seats; and/or while seeking admission under the allotment, as may be prescribed and notified. Fee structure shall be binding on all the students admitted by the respective colleges through COMED-K and KEA for the 2025-26 batch; every year till the completion of their study. ***The Government Quota seat fee that is collected by the Karnataka Examinations Authority and the COMED-K fees as notified by the Government will be the fee to be paid by the students for the entire first year. Second year onwards till the end of the student's course, the same fee will have to be collected in all the colleges. There shall be no change in the fees for the entire duration of the students study period. For purposes of transparency and complete disclosure the fee structure of Government quota seats in the respective colleges shall be notified on the website of the KEA and the respective colleges' websites a week before the commencement of first round of option entry by the KEA. KUPECA shall ensure that the necessary information is provided to KEA by all their member colleges well in time.***
- e) Appropriate mechanism will be put in place to transfer fees to colleges for Government subsidized category of students, so that Management does not take fees from such students.

- i. The tuition fee mentioned in the above table along with prescribed University Fees shall be collected by KEA for Government quota seats.
- ii. Further during the Consensual Agreements made with KUPECA in the past, the Government had agreed during the Meeting to collect the **Other Fees** at College level which was not reflected in the Consensual Agreement. It is observed that, in the past the Colleges have been collecting **Other Fees** with no specific limit. Therefore, it is agreed upon like last year, to include in the Consensual Agreement to collect **Other Fees** which shall not exceed Rs.20,000/- per annum per student by KEA authorities at the time of counselling itself based on the breakup of other fees submitted by the respective colleges to KEA atleast a week before the first round of option entry. No other fee shall be collected by the colleges. For subsequent years the respective colleges shall collect the **Other Fees** not exceeding Rs.20,000/- per annum per student. The details of such "**Other Fees**" collected by individual colleges shall be published on the respective colleges' website under intimation to Visveswaraya Technological University, Karnataka Examinations Authority, and the Commissioner, Department of Collegiate and Technical Education.
- iii. Further, apart from this it is entirely optional for the students to consider if they wish to utilise the special skill lab facilities. It is again reiterated that it is entirely optional for the students and only those colleges having skill labs and providing additional credits to students can notify and collect the fee from willing students only. The fee so collected by the institution

shall be as per the recommendation and categorisation of institution as recommended by the Prof.Karisiddappa Committee ranging from Rs.10,000/, Rs.15,000/- and maximum of Rs.20,000/- per student per annum. The details of fees collected by individual colleges shall be published on the College website under intimation to Visveswaraya Technological University, Karnataka Examinations Authority, Department of Collegiate and Technical Education and Higher Education Department.

- iv. Visveswaraya Technological University should provide the approved University Registration No, the names of the candidate and the colleges name to Karnataka Examinations Authority within one month from the last date of counselling for Government Quota seats. After completion of the counselling, the KEA authorities should verify the VTU list and transfer all or total fees without any deduction fees collected from the candidates who were allotted Government Quota seats to the respective colleges and VTU within 3 months of receipt of the approved admission list from VTU. In case of delay beyond 3 months by KEA from the date of receipt of admission list from VTU, a simple interest will be paid to the respective colleges by the Karnataka Examinations Authority from the date on which it was due.

F. MODALITIES FOR ADMISSIONS:

- a) The COMED-K shall commence its counselling process only after KEA completes its first round of counselling subject to condition that KEA to complete its first round of counselling on or before 10th July 2025.

- b) The counselling by the KEA shall be completed 10 days prior to the last date as notified by AICTE. However, last date for joining shall be notified to the candidates of KEA stipulating a date before the mandatory/last date of admissions as fixed by the Universities concerned or by the regulating authorities whichever is earlier, to enable the Managements to fill up remaining 'unfilled seats', which shall be their entitlement. The KEA shall ensure that **10 days'** time is available to the Management to fill the unfilled seats. No extension of dates shall be permissible, except with the express consent of the concerned Universities/regulatory authorities.
- c) All Professional Colleges, shall grant admission on receipt of admission order issued by the counselling authorities of KEA or COMED - K; and on submission of documents pertaining to qualification etc., to the concerned colleges. A joining time shall be granted by the counselling authorities to facilitate the students to report at the college and, complete other admission formalities. The respective colleges shall report to the KEA about details of students who have reported for admission to the college or otherwise before the commencement of the final round.
- d) Candidates who select seats have to submit the required fees in the form prescribed to the respective Counselling Agencies or in favour of selected institution as may be stipulated. Any concessions or exemptions from payment of fees under any scheme over and above, as worked out, as per fee structure above will become payable forthwith by the respective agencies granting such concessions.
- e) Default in reporting by the date fixed by the Counselling Agencies, within the stipulated time would result in cancellation of seats. Surrender and forfeiture/penalty clause as per the rules and regulations of Government/KEA/COMED-K

- g) Those admissions through KEA to private colleges shall be only of Karnataka Students (as of previous years).

H. OTHER ISSUES:

- a) It is agreed that Government would make further and requisite legislation, if required, to implement this consensual agreement and issue necessary notifications and facilitate working out this consensual agreement. Notwithstanding the delay in steps being taken as above; this 'Consensual Agreement binds the parties, including the students admitted in terms of this agreement for the academic year 2025-26 and Government shall ensure the implementation thereof.
- b) To avoid any unnecessary litigation as to and in the matter of 'Consensual Agreement' now being entered into between Government and KUPECA relating to the seat sharing, admission process and/or fee structure for the batch of students being admitted for the academic year 2025-26 through COMED-K or Governmental UGCET and or, any other issues connected with it, the parties agree to place it before the Hon'ble Supreme Court, as in previous years and seek approval thereof by consenting to continuation of such arrangement seeking requisite interim orders as sought in previous years and also issue requisite notifications in furtherance of this agreement.
- c) If the student drops down his studies in the middle of the course, the institutions shall not retain student's marks cards and other essential original certificates and should follow the AICTE guidelines norms in this regard.
- d) All professional institutions should mandatorily take the approval of the AICTE for Technical Courses. They should also take the approval of the concerned affiliated body and the State Government for affiliation.
